**PETITION**

Plaintiff states that he has a claim against the defendant, which arose on or about 2/17/2017, in the amount of \$ 3500.00. Defendant is a resident of Jackson County, in the State of Missouri.

The claim arose in Jackson County, the State of Missouri, due to the following events:

when handling Plaintiff's contested University of Missouri at Kansas City housing case. Plaintiff has the right to challenge

because Plaintiff owns a small business which has been damaged by the actions of Defendant pursuant to R.S.Mo § 536.010 (1).

Plaintiff states that the information contained in this petition is true and correct to the best of his knowledge, that he is not an assignee of this claim and that he has not filed more than twelve (12) claims in any Missouri small claims court during the current calendar year.

Plaintiff understands that should he/she be successful in this action and obtain a judgment, and if defendant does not appeal within 10 days, this judgment becomes final. Plaintiff cannot commence another action involving the same parties and issues. Plaintiff also understands that any amount over the small claims monetary jurisdiction owed by defendant arising out of this transaction is deemed waived. **PLAINTIFF IS HEREBY WAIVING HIS RIGHT TO JURY TRIAL ON THESE ISSUES IN THE SMALL CLAIMS COURT.**
